HISTORICAL SKETCH.

In 1881 the legislature of Indiana passed a bill for the establishment of public libraries in all cities of the state having a populatiin of ten thousand or more inhabitants, to be under the care and management of the Board of School Trustees and to be supported by a tax "not exceeding one-third of a mill on each dollar of taxable property assessed for taxation in such cities in each year."

Notwithstanding the fact that the passage of this bill was secured by citizens of Fort Wayne, several attempts to establish a public library under its provisions failed. On July 25, 1893, the Woman Club League appeared before the Common Council of the City of Fort Wayne and presented a petition, signed by hundreds of taxpayers, asking that the Council would lose no further time in the establishment of a public library. The Board of School Trustees, co-operating with the Woman's Club League, requested that said tax be levied. These efforts were successful and the requisite tax levy was ordered.

In June, 1894, the Board of School Trustees accepted the offer of the rooms in the City Building, granted to the Woman's Club League, for library purposes; also, a collection of books and voluntary service from the League.

The Board appointed a committee of four to serve with a committee of four appointed by the Woman's Club League, as a permanent library committee.

In September, 1894, Mrs. S. C. Hoffman was appointed librarian by the Board of School Trustees.

On the evening of January 28, 1895, the opening of the library was celebrated by a public meeting held in the Council Chamber, Mayor Oakley presiding. A program of exercises, appropriate to the occasion, was presented, followed by an inspection of the library located in adjacent rooms.

The circulating of books began January 29th, at 10 o'clock a. m. The library opened with 3,606 volumes on the shelves; of this number, the 117 volumes presented by the Woman's Club League, formed the nucleus to which were added 800 volumes, presented by the Allen County Teachers' Association; 1,028 volumes, turned over from the public school library; 247 volumes of donated public documents, and 1,414 volumes, acquired by purchase.

The library now numbers 8,939 volumes. This does not include the public documents recently acquired by reason of the library having been made a repository for government publications, which, when catalogued and shelved, will become valuable reference books.

September, 1895, found the library removed from the City Building to its present quarters on the Southwest Corner of Wayne and Clinton Streets, where, on October 7, 1895, it was again opened to the public.

The present librarian, Miss Clara M. Fowler, entered upon the duties of her office in August, 1896.

Mr. O. P. Morgan, Mr. J. M. Moritz, Mr. A. E. Hoffman, Mr. S. M. Foster, Mr. W. P. Cooper and Dr. A. Boswell have been the members of the School Board in charge of the public library since its establishment. Mrs. C. R. Dryer, Mrs. A. S. Lauferty, Miss Margaret Hamilton, Miss Merica Hoagland, Miss Katherine Hamilton, Mr. J. H. Jacobs, Mr. C. T. Lane, Col. R. S. Robertson, Rev. Samuel Wagenhals and Mr. H. O. Wise have served as members of the library committee. With the hearty co-operation of trustees, committee, librarians and citizens, there is no reason why the public library should not become a most efficient agent in bringing to all classes in the community, opportunity for the highest and worthiest culture.

RULES AND REGULATIONS.

1. The library is open on all secular days from 9:30 A. M. to 8:00 P. M., except New Year's Day, Fourth of July, Labor Day, Thanksgiving Day and Christmas.

The reading room is open at the same time and remains open until 9:00 P. M.

2. The librarian shall have charge of the library, reading room, the books and other property therein, and shall be responsible for the safety of such books and property and for the preservation of order.

3. Conversation and the use of tobacco are prohibited in the reading room. Quiet and order must be maintained throughout the library building.

4. The citizens of Fort Wayne, over ten years of age, are entitled to use the books of the library on complying with either of the following conditions:

First. By giving as security the signature of some responsible citizen upon the blank certificate furnished for that purpose, or——

Second. By depositing three dollars, and in special cases such further sums as the value of the books asked for may, in the judgment of the librarian, require. For such deposit a receipt shall be given and this money shall be refunded when the card is surrendered.

5. The Board of School Trustees has power to grant, for special reasons, the use of the library to persons not actual citizens of Fort Wayne.

6. Any person holding an unexpired teacher's license, signed by the superintendent of the public schools of Allen County, Indiana, is entitled to all the privileges of this library upon complying with the conditions of Rule 4.

7. Each person entitled to draw books from the library will be supplied with a card inscribed with the register number, name, and residence of the holder. This card must be presented whenever a book is taken, returned, or renewed. Immediate notice of a change of residence must be given at the library. Neglect to do this will subject card holders to forfeiture of their cards.

8. The registered card holders are in all cases responsible for books drawn on their cards by whomsoever presented. On the return of all books drawn up it, a lost card will be replaced at the expiration of seven days by the payment of five cents.

9. Most books may be retained two weeks and may be *once renewed* for the same period. Any book of recent purchase labelled "Seven Day Book" shall not be retained more than one week in any one household and shall *not* be renewed. Books are at all times subject to recall for library purposes.

10. A fine of three cents a day shall be paid on each volume which is not returned according to the provision of the preceding rule, and no book shall be issued to any person on his or her own card, or that of any other person, until all fines are paid.

11. The holder of a card is entitled to draw one volume at a time, or more volumes of the same work at the discretion of the librarian. After one renewal, a book cannot be taken out again by the same borrower, or by any member of his household, until the expiration of twenty-four hours, exclusive of days when the library is closed.

12. Encyclopædias, dictionaries and other works of reference, elaborately illustrated books and such as may be considered by the librarian unsuitable for general circulation, shall be used only in the library rooms. Any one desiring to use books for consultation or reference in the reading room will please make application for such books at the desk.

13. Contagious disease breaking out in a family where a book is held, necessitates the destruction of such book. Upon presentation of a certificate from the Board of Health the library will bear the loss.

14. All injuries to books beyond reasonable wear, and all losses, shall be promptly made good to the satisfaction of the librarian.

15. The librarian, subject to the approval of the Board of Trustees, may recall any book from a borrower for violation of any rule of the library.

16. Delinquents will be notified through the mail within five days after their delinquency has occurred, and if the book is not returned within one week thereafter, the guarantor will be notified.

17. If the book is not returned within one month after serving the first notice, the librarian shall proceed to collect the value of the book wtih accrued fines and other charges to the day of payment.

18. Any one abusing the privileges of the library, or violating these rules shall be temporarily suspended from the enjoyment of its privileges, and the case shall be reported to the Trustees for proper action thereon.

19. The Board of School Trustees may, whenever it deems advisable, ask for a renewal of the security required by Rule 4.

20. These regulations are subject to alteration, amendment, or revision, at the pleasure of the Board of School Trustees.

INFORMATION FOR READERS.

Classification—The books are arranged on the shelves and in the subject list according to the decimal classification of Mr. Melvil Dewey, of the New York State Library.

The field of knowledge is divided into nine main classes, and these are numbered by the digits one to nine. Cyclopædias, periodicals, etc., so general in character as to belong to no one of these classes, are marked naught and form a tenth class. Each class is similarly separated into nine divisions, general works belonging to no division having naught in place of the division number. Divisions are similarly divided into nine sections, and the process is repeated as often as necessary. Thus 320 means class 3 (Sociology), division 7 (Education), section 9 (Public Schools). and every book treating of Public School Education is numbered 379. Since each subject has a definite number, it follows that all books on any subject must stand together. The Cutter author-marks are used in Fiction and Biography.

Finding List—The finding list is in two divisions. *First*, an alphabetical author and title list of all the books in the library except Fiction and Juvenile. These are arranged alphabetically in the classed list. *Second*, a class list in which the books are arranged according to the divisions of the classification. An index of subjects follows.

To find a Certain Book—If the author or title are known, look for the word in the author and title list. If neither are known, look for the subject in the Index pages 212–218, from which reference is made to the page on which books on that subject may be found. If the word desired is not found in the Index, look under a similar or more general heading. The articles are omitted before all titles.

Books Must be Applied for by the Number given at the right of the column in the finding list, or the number in red ink on the catalog card. Call slips are provided for this purpose.

Card Catalog—A complete card catalog of the library has been prepared. This contains full entries of every book under author, subject or subjects, if it treats of several, and under title. The librarians will cheerfully aid those desiring help in the use of the card catalog.

Bulletins of new books will be issued as often as necessary.

Books marked * will be found on the reference shelves of the library and are not to be taken from the building.
